The Importance of Estate Planning: Caring for Yourself and Your Family

What would happen to your family if you suddenly died or became seriously ill? Who would care for you and your loved ones?

Consider these essential estate planning documents to protect you and your family:

- **Will**: Ensures your property is passed as you wish, designates an Executor, and appoints a Guardian for minor children.
- **Durable Power of Attorney (POA)**: Assigns someone to act on your behalf if you are disabled, ensuring your affairs are managed by a trusted person.
- **Health Care Proxy**: Names someone to make health care decisions for you when you can't, safe-guarding your wishes and easing stress for your family.
- **Intentions for Christian Burial**: Outlines your funeral plans, reducing the burden on your family.

Organizing these documents is an act of love, easing the burden on your family during difficult times. For more information, visit www.cfbqlegacy.org or contact the Catholic Foundation for Brooklyn and Queens at 718-965-7375 or info@cfbq.org.
