June 7, 2024

Dear Pastors and Administrators,

As you know we are coming up on the conclusion of this year's Deanery visits. Monsignor Joseph Grimaldi, your local Regional Episcopal Vicar and I have listened to your suggestions and concerns, and the conversations have personally been very encouraging to me.

As we look to the new pastoral year, I am committed to implement our Reconfiguration Process, with its three different stages throughout our diocese, in order to effectively utilize our financial and clergy personnel resources. The purpose of the Reconfiguration Process is to strengthen the relationship that already exists among parish communities in particular areas of our diocese and to enhance the varied ministries that each parish offers, while collaborating, partnering or merging with another parish.

Collaboration, partnerships, or parish mergers are taking place in many dioceses and a number of parishes share their pastor with at least one other parish with that number growing. The issues we face here in our diocese, though unique in their own ways, are similar to what is happening throughout the country. We are one family in faith.

With this in mind, pastors in each deanery have been tasked to discuss and adjust their Mass schedules in collaboration with the other parishes in their deanery this coming Fall. You are also strongly encouraged to work with neighboring parishes outside your assigned deanery, if pastorally necessary. **To that effect, I am asking that no Mass intentions be taken after June 30, 2025. It is essential that every parish share in this commitment.**

You will hear more about this process in the coming months, and you are encouraged to engage actively in the consultation opportunities at the deanery level. Please provide your thoughts and ideas to your Dean. This is an important moment for new opportunities in our diocese. It is crucial that this process be rooted in prayer and open to the guidance of the Holy Spirit. I ask that you be faithful to patient discernment and committed to creating a plan with your Parish Leadership, Dean and Regional Vicar that will set the roadmap for the future vitality and vibrancy of all our parishes in Brooklyn and Queens.

Thank you for your cooperation as we embark in this new phase of reconfiguration in our diocese. Be assured of my continued prayers for each of you and parish communities.

Fraternally yours in Christ,

+ Robert J. Brennan

Bishop of Brooklyn.

The Importance of Estate Planning: Caring for Yourself and Your Family

What would happen to your family if you suddenly died or became seriously ill? Who would care for you and your loved ones?

Consider these essential estate planning documents to protect you and your family:

- **Will**: Ensures your property is passed as you wish, designates an Executor, and appoints a Guardian for minor children.
- **Durable Power of Attorney (POA)**: Assigns someone to act on your behalf if you are disabled, ensuring your affairs are managed by a trusted person.
- **Health Care Proxy**: Names someone to make health care decisions for you when you can't, safe-guarding your wishes and easing stress for your family.
- **Intentions for Christian Burial**: Outlines your funeral plans, reducing the burden on your family.

Organizing these documents is an act of love, easing the burden on your family during difficult times. For more information, visit www.cfbqlegacy.org or contact the Catholic Foundation for Brooklyn and Queens at 718-965-7375 or info@cfbq.org.
